

THE
TOMAHAWK
INSTITUTE®

Law Enforcement: Online Training Programs

Tomahawk's mission is to create safer, more secure communities. We offer training for law enforcement created by police and military-trained experts for the Tomahawk Institute, our industry-leading online learning library. We work to prepare and educate law enforcement officers and professionals so they can make better decisions in the moment, and ultimately create better outcomes.

All of Tomahawk's online trainings are built to reinforce basic best practices: continuous engagement with your environment, identifying and avoiding potential threats, and understanding your options ahead of time to improve your outcome.

COURSE OFFERINGS

POTR

**Patrol Officer Tactical Response -
Active Threat**

CQC

**SWAT Close Quarters Clearance -
Methodical Clearance®**

Immersive, full-length courses

Our 90-minute offerings provide an in-depth evaluation of our tactical methodology for patrol and tactical officers.

Micro-content focused learning

We tackle big subjects with short modules to help the participant dial into nuances and easily digest the content, making the broader picture simpler to understand.

Video library visual learning

Using the Tomahawk Institute platform, you can access on-demand content to reference at any time, in any situation. It is perfect for field training.

Learn online with the Tomahawk Institute®

Tomahawk Institute is an online platform to share our team's collective knowledge and real-world experience. The Institute delivers an interactive, educational experience with content designed to be relevant, realistic, and relatable.

SWAT Close Quarters Clearance: Methodical Clearance®

In this course, learners will:

- Establish and refine CQC methodical and threshold clearance operations Standard Operating Procedures (SOPs).
- Learn the principles and best practices of tactical entry and follow-on movement.
- Learn and enhance essential tactical skills, including prioritizing threats, using cover and concealment, room entries, and follow-on movement.
- Create a common foundation for operating as a team in CQC tactical environments.

Patrol Officer Tactical Response: Active Threat

In this course, officers will:

- Learn tactical fundamentals of one- and two-officer search and contact teams when responding to active threat situations.
- Master the basics of tactical decision-making, stressing a full and complete understanding of the priorities of threats, life, and activities.
- Reinforcement of tactical principles of CQC.

LEARNING MODULES

- Five modules per full-length course
- Accessible on mobile devices
- Learn at your own pace
- Secure, officer-specific login

COURSE OBJECTIVES

All Tomahawk Institute courses for law enforcement officers aim to:

- Empower officers to be open-minded, critical thinkers when solving tactical problems.
- Provide a foundation for understanding and applying optimal tactics.
- Enhance critical decision-making abilities that can be consistently relied upon in high-stress environments.
- Establish baseline SOPs to ensure everyone in the department is on the same page.
- Provide material that can be referenced and used in onboarding new officers.

Our ability to adapt to each client's unique set of circumstances, requirements, and goals sets us apart from the rest of the industry and allows us to succeed with an extensive but varied client base.
