Improve your company's safety and preparedness for an emergency

Access a wide range of topics, all available on-demand for your employees

Relevant, realistic, relatable content

Corporate training programs are designed using our team's shared experience, then thoughtfully constructed to be relevant, realistic, and relatable. We follow characters through familiar scenarios, allowing learners to better identify with the subject.

Access short and effective training courses like:

- **De-Escalation**
- **Situational Awareness**
- **Active Threat**

Built from unparalleled experience

We are former federal agents, special operations members, combat veterans, and law enforcement officers. We draw from our experience to create Tomahawk Institute courses to educate you and your employees, and convey these concepts with sensitivity and seriousness; Tomahawk is your coach, not your drill sergeant.

Our goal is to create safer communities and more prepared individuals.

WHAT OUR STUDENTS SAY

The course was well prepared and provides an excellent overview of the Prepare, Respond, Recover model.”

- Frank D’Amico - Principal, Lodi High School, New Jersey

Great information. I feel better prepared now in the event of an active shooter. Thank you for providing the information and course.”

- Employee participant - Fortune 100 financial institution
