

Threat Detection for Security Professionals

Tomahawk's Threat Detection Course enhances the situational awareness and operational readiness of security and executive protection teams facing potential surveillance or intelligence-gathering threats.

Threat Detection Course

Length: 2+ Days, depending on the client's needs

Delivery: In-person

Audience: Corporate security and Executive Protection (EP) teams

Course Objectives:

- ✓ Improve detection of surveillance and pre-operational activity
- ✓ Strengthen readiness in dynamic environments
- ✓ Equip teams with real-time threat mitigation tools

Participants Will Learn:

- ✓ Fundamentals of surveillance, counter surveillance, and surveillance detection
- ✓ How to identify when individuals, assets, or facilities may be under observation
- ✓ Terrain analysis and behavioral indicators
- ✓ Proper reporting standards and documentation

Training Format

Classroom Instruction:

- ✓ Surveillance types and techniques
- ✓ Demeanor recognition and anomaly detection
- ✓ Terrain analysis and environmental awareness
- ✓ Reporting protocols and standards

Practical Exercises:

- ✓ Site walks and controlled foot routes
- ✓ Vehicle movement scenarios
- ✓ Live environment observation drills

Custom-Tailored Delivery

Tomahawk works closely with your team to:

- ✓ Identify specific threats or operational concerns
- ✓ Adapt course content to your unique environment (e.g., corporate facilities, executive residences, or travel routes)
- ✓ Align exercises with your organization's real-world security objectives

This course and its associated practical exercises are customizable and ideal for teams protecting executives, corporate sites, or high-value assets. It is designed to deliver practical, immediately applicable skills.

WHAT OUR PARTICIPANTS SAY

The Tomahawk team did an outstanding job presenting the material and guiding us through practical application. Truly eye-opening training.”

- Employee participant – Fortune 100 Company

This training delivered several valuable lessons that I can apply both in supporting my organization and in my personal life. The Tomahawk staff was exceptional throughout.”

- Employee participant – Fortune 100 Company
